This year's Community Association Flag Day on Saturday 6 October will be solely in aid of 'Target Magazine'. It is delivered free of charge to around 5,000 homes in the Bourne End, Little Marlow and Wooburn Green area.

Unfortunately the cost of producing Target has increased greatly over the years - we are hoping that Flag Day will help meet some of these costs. Our appeal will be simple – please stop, have a chat and support Target.

Target Magazine is delivered to around 5000 homes 6 times each year

Look out for stands along The Parade in Bourne End between 10am and 1pm on 6th October. Pick up a copy of Target, along with information about the Community Association's aims and facilities as well as details of the many groups that meet at the Community Centre.

A Flag Day supporter with Target Magazine - will you show your support on 6th October?

If you are not around on Flag Day and would like to make a contribution or find out more about the Community Association please contact the Centre Office on 01628 522604 or email the Centre Office. Also use this number / email if you can spare an hour on Flag Day and would like to help on one of the stands, you would be very welcome!

It's likely that the latest edition of Target magazine has just come through your door. Forty pages packed with stories, pictures and, especially, Olympic memories. Do hope you enjoy it.
